CEO

Locker Group

Farrell Street

Warrington WA1 2WW

*Dear Mr. Campbell*

I write as The Queen's representative in Cheshire, on her behalf, to thank you and all your team for the outstanding work you have been doing at Lockers during this emergency.

I understand that you have organised the factory into safe working cells to ensure that crucial components for the manufacture of ventilators for Dyson and Mercedes could be manufactured and that you have overcome tooling design issues and transport difficulties to ensure that deliveries could be made as required.

In Her Majesty's recent speech she said – "I hope in the years to come everyone will be able to take pride in how they responded to this challenge."

You and each member of your team should take great pride in what you have done and in what you continue to do to help some of the most needy people in our community.

With Sincere Thanks

*David Briggs*
